### Committee 2020/2021

This document is to confirm that the R.O.O.T.S (PTA) committee from 2019/2020 will continue in their roles during the school term of 2020/2021.

This decision has been made in light of Covid-19 by Mrs Slater and the existing committee members.

During the 2021/2022 school year we will revert back to the traditional approach where committee members are voted in during the AGM, which is expected to be held in October 2021.
